2, 24 and 32 were alienated by sale in April 1890 to one Jwalamappa by Veeraiya the Manager of the Matt (since deceased) and his son Rudraiya the present Manager of the Matt. Jwalamappa subsequently sold the lands to one Narasimha & his son Dodda Narasa in whose names the Khata of the lands is reported to stand now. The question of the alienation of the Devadaya inam lands having come up before the local authorities, Dodda Narasa appeared before the Dy Amildar of Kortagere Sub Taluk that he was willing to restore the lands to the Matt. But the records received from Central Records, it is observed the lands are not in the of Dodda Narasa since repurchased by Jwalamappa the Civil Court sales in satisfaction

of a decree passed by the Munsiff of Maddagiri against Dodda Narasa, as is evidenced by the Court sale certificate.

The Shanbhogue of Marikunte has stated that the jodi of the inam lands used to be paid by Veeraiya prior to 1890 and that the alienors paid it subsequent to that year

As the inam lands were alienated in 1890 i.e, subsequent to the 31st Jan.y 1853, the Dy Comm.r solicits sanction to resume the lands & restore them to the Mutt under the terms of Clause B of Rule 11 of Notfn No. 266

The draft approved was accordingly issued The Deputy Commr was asked to report, therein whether Jwalanappa was willing to give back the lands to the matt without receiving any payment therefor as also whether the present Manager Rudraiyya would pay the amount required

That officer has submitted his report thereon together with the vernacular records bearing on the subject.

In his statement dated 22nd June 1904 before the Deputy Amildar of the Kortagere Sub Taluk, Rudraiyya deposes that he is unable to pay to Jwalanappa, the sum of Rs 325-12-0 together with interest and Court Costs and that if 6 months' time is allowed he will collect from the matt disciples Rs 200/- which may be paid to the said

individual who may be asked to excuse the payment of the balance, and ~~he~~ prays that the Inam lands may be restored to the matt.

In his Statement dated 26th June last, gwalanappa deposes that the 3 Survey numbers in question have been in his enjoyment for the past 20 years, and that he has spent much money in effecting certain improvements for the better cultivation of the lands and expresses his unwillingness to part with the lands in favor of the matt without payment of the amounts paid up by him therefor. He prays that the amounts may be paid to him from the matt funds or the devotees interested in the welfare of the institution be called upon to make good the Sum, and adds that if ~~he~~ ~~is~~ this is not possible, (Slip B

the lands may be fully assessed and treated as Sircar lands and continues to him, as the matt in question is no longer in existence.

(Slip c) Mr. K A Ranganna, the then Dy. Assistant Commissioner on inspection of the Kontagere Sub Taluk reports that there is no matt in existence, that the place where it stood is now a vacant site and that Dasarayya calls his dwelling place as the matt which is not worth that name, as it is full of family members without any accomodation for the travellers resorting thereto. He therefore recommends that the Inam lands in question may be resumed to Govt. and the present enjoyer ~~Gana~~ gowdanappa ordered to pay full assessment thereon.

The undersigned has the honor to state that at Mamu= =vinakunke in the Kunigal sub Taluk, there is a Jagam Matt endowed inter alia the marginally noted Inam lands for the support thereof and the feeding of travellers resorting thereto. The ac= =companying file of Vernacular papers shows that 3 of these Inam lands viz: S. Nos 2, 24 and 32 were alienated from the Matt by sale to one Jwa= =lanappa in April 1890 by one Veeraiya manager of the Matt then deceased and his son Rudraiya the present manager of the Matt, and that

that these lands were subsequently sold by Jwalanappa to Narasimha and his son Dodda Narasa in whose names the Khata of these lands now stand. The latter is willing to restore them to the Matt and has stated so before the Deputy Amildar of Keralūgere, Sub Taluk. But it is evident from the Court Sale certificate (No 7/17 on the file) that these lands are not in his holding since they have been repurchased by Jwalanappa in the Civil Court Sales in Satisfaction of a decree passed by the Munsiff of Maddagiri against the said Dodda Narasa

The statement of the Shanbogue of Meanumakarthe village goes to show that the Jodi of the Inam lands in question due for the years 1889-90 and prior thereto was paid by Veeraiya, the late Manager of the Matt and the alienee of the Inam lands in question, and that that due for subsequent years was paid by the alienees.

In these circumstances, it is clear that the Inam lands in question were alienated in 1890 i.e subsequent to the 31st January 1853, and are, as such, liable to be resumed and restored to the Matt under clause B of Rule II of Government Notification No 266 dated the 17th November 1877.

Rudraiya now Manager of the Matt states that the feeding of travellers in the Matt entirely ceased for paucity of funds since the last 10 years and that he would revive it in case the alienated Inam lands are restored to the Matt.

SIR,

I am directed to acknowledge the receipt of your letter No. 333 dated 23rd January 1907, regarding the alienation of the Inam lands enjoyed by the Jangamatti at Kanuvinkurki in the Koratagere Sub-Taluk.

2. It is observed from the records that the present Manager of the Matt viz Rudraiah and his deceased father Veerayya who was the former manager of the Institution, were themselves the executants of the sale Deed in 1890 and that it is the very person Rudraiyya who says now that feeding has ceased in the Matt for the past 10 years and that he would revive it if the alienated lands are restored to the Matt. Though the Government Notification of 1877 provides the course to be adopted in cases of such alienations, yet there is a subsequent order passed in 1882 to the effect that the terms of the Notification

G.P.P.—1,000—10-11-06

of 1877 should not be indiscriminately given effect to (Please see page 215 of the Revenue Manual) Whether Jwalamappa who appears to have got back the lands by means of Court sale, is willing to give back the lands to the Atti without receiving any payment therefor, does not appear from the records. This should be ascertained and reported , as also whether the present Manager Rudraiyya will pay the amount required.

2. The favour of an early reply is requested.

3. The enclosures are returned for reference and re-submission.

The Deputy Commissioner reported that out of the Inam lands, Survey Nos. 2, 24 and 32 were alienated from the Matt by sale to one Jwalanappa in April 1890 by the manager of the Matt, Rudraiya, and his deceased father Veeriah who was the former manager of the institution; and that Jwalanappa subsequently sold the lands to one Narasimha and his son Dodda Narasa. It was further reported that the question of the alienation of the Devadaya Inam lands having come up before the local authorities, Dodda Narasa deposed before the Deputy Amildar of the Koratagere Sub-Taluk that he was willing to restore the lands to the Matt. But from the records received from the Central Records, it is observed that the lands are not in the holding of Dodda Narasa, since they were re-purchased by Jwalanappa in a Civil Court sale in satisfaction of a decree passed by the Munsiff, as is evidenced by the court sale certificate. The shanbhog of Manuvinkurke has stated that the jodi of the Inam lands in question due for the years 1889-90 and prior thereto was paid by Veeriah, the late manager of the Matt and the alienor of the Inam lands and that the jodi, etc., due for the subsequent years was paid by the alienees. The Deputy Commissioner is of opinion that as the Inam lands in question were alienated in 1890, *i.e.*, subsequent to the 31st January 1853, the lands are liable to be resumed and restored to the Matt under clause B of Rule II of Notification No. 256, dated the 17th November 1877. In reply to further enquiries made from this office, the Deputy Commissioner reports, in his communication read above, that Jwalanappa is not willing to restore the land without receiving the amount of the Civil Court decree together with the court costs; that there is no Matt in existence now and that the place where it stood is now a vacant site; and that Rudraiya called his dwelling house to be the Matt in question, which the Deputy Amildar of the Koratagere Sub-Taluk reported, on inspection, was not worth the name. The Deputy Amildar recommends that the Inam lands in question may be resumed to Government and their present enjoyer Jwalanappa ordered to pay full assessment.

2. Under these circumstances, the Government are pleased to direct that as originally recommended by the Deputy Commissioner the alienation of the Devadaya Inam lands, *viz.*, Survey Nos. 2, 24 and 32 belonging to the Jangam Matt, should be cancelled and the lands resumed from the alienee under clause B of Rule II of the Notification of 1877. The Deputy Commissioner is requested to take the needful action accordingly. The Government further direct that as there is actually no Matt in existence, the lands cannot be restored to the institution; but that they should be temporarily attached and managed by the Amildar, the question of restoring the lands to the Matt being considered when the Matt is brought into existence.
